How do you thank someone who has extended a helping hand in times of confusion, who has willingly listened in times of distillusion;

Someone who has spoken comforting words in times of uncertainty, who understands the need for individuality?

A man who has given his time,
A man who has worked unselfishly,
A man who has been our friend
Arthur Cloutman
We will always remember you,

If you smile at me. I will understand 'Cause that is something, everybody everywhere does In the same language

Prayer for a Graduate

You are about to enter this world on your own

Strengthened by years of learning.

Look onward to a new future,

Reach out and grasp the dream

which finally is within arm's length.

It is there

Just reach far enough,

Strive to obtain it.

Wisdom is not the sole possession of the mind,

The heart shares it also.

In rendering judgement, remember

the mind within your heart,

For it will provide the most valuable appraisal that can be obtained.

Understanding is born of the heart's wisdom.

It is understanding of the heart that paves the pathways of peace.

Use your wisdom to good advantage.

Be not skeptical if it; He will guide you.

Trust in Him.

Help others to grow with your knowledge,

The sharing of it will help you to grow also.

Reap what you have sown . . . then plant again

Wisdom's harvest is many fold.

Look ahead, but forget not the past

In its experience has the key to

a richer future.

The dream of this future will soon be reality;

you are now one step closer to it

Do not become discouraged, for granted,

it is not an easy quest.

Remember, though that those who love you

will do so throughout your life.

This security of sincere love will surely help you to achieve your highest goals.

You are on your way to a new life

Be strong and set in your ambitions.

May God bless

and guide you

in all your endeavors.

FRIENDS

I hope the day will be a lighter highway, For friends are found on ev'ry road, Can you ever think of any better way For the lost and weary travellers to go?

Making friends for the world to see

Let the people know you got what you need:

With a friend at hand you will see the light

If your friends are there, then everything's all right

It seems to me a crime that we should age,
These fragile times should never slip us by;
A time you never can or shall erase,
As friends together watch their childhood fly

With a friend at hand you will see the light
If your friends are there, then everything's all right

"NEVER LOSE THE DESIRE TO WIN

"Give the meet your utmost thoughts above yourself and everything will go well."

Sue Donlin was the lone gymnast on this years team to qualify for the state regionals. Sue qualified by earning a 5.98 average on the balance beam and a 6.36 on vaulting. Sue's total points on all four events during the season were 232 80. Sue has been on the gymnastic team for four years.

South Girls Dump Weaver

SOUTH WINDSOR — South Windsor senior Sue Donlin qualified for the regional gymnastics tournament as she led the Bobcats to a 47.95-35 60 victory over Weaver in the final meet of the season.

Miss Donlin, who took firstplace finishes in the floor exer-CSES, the balance beam, and vaulting against Weaver, maintained a 50-average on the beam and a 6.0-average on vaulting throughout the season. The marks are good enough to qualify for the regionals, scheduled for March 4 at Simsbury High School. She is the only member of the team to qualify.

The win against Weaver lifted South's record to 4-10 for the year.

Beside the outstanding performance of Miss Donlin, Sue Van Sicklen took a first place in the uneven parallel bars. Alice Alzugaray added a second place in floor exercises and Joanne Welles was second in vaulting.

Also, South's Pam Miller took a third on the balance beam and Linda Lacaprucia was third on the uneven bars.
